

## CHESST' MINIT puzzle – September 2013

This position arose at the club in a Stewart Wilson trophy game recently. White is to play – find a quick route to victory.

Solution:

1. Rxh6 wins nicely (1 ... gxh6 2. gxh6+ leads to checkmate or loss of black's queen, and any queen move leads to R1-h1 and checkmate on the h-file.).
