

CHESS T' MINIT puzzle – March 2015

This month's puzzle is a problem created by the very creative Y'aacov Mintz, and is an example of a proof game. In this case find the moves which lead to this final position after white's 9th move. (Hint, there is only one solution to this problem)

Solution 1. Nc3 Nf6 2. Ne4 Nxe4 3. g4 Nxd2 4. g5 Nxf1 5. g6 Nxh2 6. Bh6 Ng4 7. Rh3 Nxh6 8. Rf3 Ng8 9. gxf7#
